Dear Members,

**Re: Kamloops Fire Captain Internal Retirement Ceremony**

As you may be aware, Kamloops Fire Captain Brian Lannon was tragically lost during a SCUBA accident on May 15th. His remains were recovered from Okanagan Lake yesterday.

At the request of the family, an internal retirement ceremony is being held tomorrow, June 10th in Kamloops. This internal ceremony will have Captain Lannon escorted home in a fire apparatus with a police escort.

Once we hear any further information on funeral or celebration of life plans, we will pass them on.

Sincerely,

Dave Deines  
Provincial Vice President
