

MEMORANDUM

Date: July 22, 2021

File: 195-20/ALL UC

CLIFF: 1062899

To: All BCEHS Unit Chiefs

Re: Summer Uniform: Orders needed

In coordination with the BCEHS Emergency Coordination Centre (ECC), the BCEHS uniform committee has secured a short-term solution for uniform t-shirts for paramedics. This stop-gap solution is intended to get us through the balance of this summer while the committee looks to formalize an appropriate, sustainable hot-weather shirt for future use.

Each BCEHS paramedic will receive two shirts. These shirts are navy blue and come with the BCEHS logo and a 'Paramedic' identifier underneath. The committee is anticipating distributing these shirts to staff in early August.

For your action:

We require all unit chiefs to submit the number of t-shirts needed at their station, along with sizing submitted no later than July 30, 2021. Note that the sizing is unisex. Please use this order form to submit the necessary information:

<https://surveys.vch.ca/Survey.aspx?s=c741a952e8e141649b09bd9e7fe5a3f8>

To expedite delivery of these shirts, *Marks*, our supplier, will be directly distributing the t-shirts to our stations.

Due to the tight turn-around, your immediate assistance is appreciated.

If you have any questions, please direct them to ECC.Logistics@bcehs.ca.

Thank you in advance for your timely response.

Sincerely,

Lucas Hawkes-Frost
Director, Emergency Coordination Centre
BCEHS
