Dear Members,

Re: Summer Uniform: Orders Needed

Each BCEHS paramedic will receive two shirts. These shirts are navy blue and come with the BCEHS logo and a 'Paramedic' identifier underneath. The committee is anticipating distributing these shirts to staff in early August.

Immediate Action Required:

We require all Unit Chiefs to submit the number of t-shirts needed at their station, along with sizing submitted no later than July 30, 2021. Please connect with your UC to make this happen to be sure you're receiving a shirt that fits for you.

Please click on the link [here](#) for more information.

Be safe out there.

Sincerely,

Corey Froese
