Dear Members;

Re: CP Outstanding Retro Pay

The final pay application for CP wage rates was confirmed by the Joint Implementation Committee on December 18th, as a result, calculations for pay and system changes are underway.

I am pleased to inform you the employer has confirmed a definitive date as to when CP's will receive their retro pay.

The new CP pay increase of \$0.75 per hour and the 2% increase will be applied to all hours worked by paramedics holding a CP position, going forward as of January 10th, 2020.

CP retro pay will be paid out on the February 14th, 2020 pay date, including any hours that were not paid as CP between November 15th, 2019 to January 9th, 2020.

Sincerely,

Troy Clifford
