Dear Members,

Re: Media Tracking - December, 2016

Following is a list of all news articles referencing the Ambulance Paramedics and Emergency Dispatchers of BC from the month of December, 2016.

Across all news articles there were over 8.9 million impressions for the month. These news articles have an estimated public relations value (advertising value equivalency) of \$247,000, please note that this is not money spent by the Union, but is the equivalent value of the news articles in a dollar amount.

Media tracking: December, 2016
