November 1, 2018

To: All Members with PAC Liability Insurance

In discussion with MARSH Canada today, it has come to our attention that some individual paramedics are attempting to renew their PAC Paramedic Liability Insurance PRIOR to receiving the email notification reminder to renew. If they do this, it will only provide insurance until the end of the year (i.e. they will have 2 policies that expire on December 31st, 2018)

Please make sure to wait until you receive an email reminder from Med Three (which are going out this week) before renewing.

Please contact Provincial Vice President Dave Deines if you have any further questions or concerns.

Sincerely,

Dave Deines
Provincial Vice President
Ambulance Paramedics & Emergency Dispatchers of BC
CUPE Local 873
