11 Year Anniversary Remembering Michael Gray

Remembering Michael Gray

Today marked the 11th anniversary of the tragic loss of Paramedic Michael Gray.

Michael died suddenly from a medical condition just after clearing Vancouver Hospital. He collapsed at the wheel causing the ambulance to collide with several parked cars. Michael's partner initiated medical care immediately, but resuscitative efforts assisted by other responding units were not successful.

Please take a moment to remember Michael and the nine other paramedics who have made the ultimate sacrifice in the line of duty while serving the public.

Sincerely,

Provincial Executive Committee
