Dear Members;

Re: Tentative Agreement Ratification - Voting Now Open

Voting for ratification on the 2019 Tentative Agreement is now open.

After months of negotiations and weeks of meeting with members and responding to your questions online, the choice is now in your hands. It is your turn to decide if you feel the proposed Tentative Agreement, as a whole, is positive for the future of our union and professions, or not.

If you haven't already, you can watch the two information webinars and review the Frequently Asked Questions on our website here: <https://bit.ly/2IZ3CHI>

If you are undecided, or not sure about any aspect of the T.A., we strongly suggest that you ask us questions about what you are uncertain of. Our goal is to ensure you make an informed vote. You can submit a question via email to: ta-faq@apbc.ca

If you are ready to vote, you can do so now at: www.apbc.ca/vote

Voting will remain open until Monday, September 30th, at 1300hrs. Results of the ratification vote will be published shortly after.
