Dear Mr. Collins;

Re: Letter of Appreciation

I write to you today to express our appreciation for the support that you and your company provided to the service for Fallen Police Constable John Davidson of the Abbotsford Police Department.

The gracious waiving of fees for first responders to travel on British Columbia Ferries Vessels to attend the service was greatly appreciated by our members.

Due to your companies support, our Ceremonial Unit was able to send thirty-five (35) Honour Guard members, in addition to the hundreds of paramedics and dispatchers, to Abbotsford for the service.

This kind gesture did not go unnoticed and was mentioned to us on multiple occasions.

On behalf of the over four thousand (4,000) Paramedics and Emergency Dispatchers of British Columbia, please accept our sincere appreciation.

Thank you.

Sincerely,

Cameron Eby, President
