Dear Members;

**Re: Missing Retro Pay**

---

This morning the Union became aware that approximately 1000 APBC members had an error in retro pay calculations. Many members pay advice indicated no retro pay would be received on June 2, 2023.

I have been working with the employer throughout the day and have been advised the payroll team has identified all members impacted.

Members that are owed retro pay and did not see it on their pay advice today will be issued an off-cycle pay submission by Wednesday, and the payment should arrive no later than Friday, June 2<sup>nd</sup>.

For members who received lump sums on their pay advice with no explanation, please email [payrollphsa@hssbc.ca](mailto:payrollphsa@hssbc.ca) directly. The team is aware and will be responding to member inquiries.

Please feel free to reach out with any further questions or concerns.

Sincerely,
