Dear Members;

**Re: Temporary Full-time Hiring Update**

---

In follow-up to the memo released on [May 14<sup>th</sup>](#) regarding an interim measure to fill temporary full-time vacancies, please see the updates below.

These temporary appointments will fill current vacant full-time positions and long-term leave positions, with a start date of June 1, 2024 until the end of September.

While this will help with the forecasted extreme weather and hospital closures over the summer months, these temporary positions also compress the time needed for pre-scheduling. Pre-scheduling will be delayed and not completed by May 23<sup>rd</sup> as anticipated.

Deadlines for scheduling submissions have been extended as follows:

- **Centrally Scheduled Stations** – pre-schedule is due May 30<sup>th</sup> and schedules will be keyed in prior to June 1<sup>st</sup>.
- **Non-centrally Scheduled Stations** – UC's must complete pre-schedules by May 24<sup>th</sup>. These will be distributed to members at their stations and sent to Timekeeping for FM entry.
- Members can amend their availability until May 20<sup>th</sup>.

Unit Chiefs and Managers have until Monday, May 20<sup>th</sup> to submit staff movement to Talent Acquisition. Any late submissions will be processed for a July start date.

Please contact [internalrecruitment@bcehs.ca](mailto:internalrecruitment@bcehs.ca) for any questions and see the joint memo attached [HERE](#).

We truly appreciate your understanding and support as we prepare for the summer months.

Sincerely,

Jason Jackson
