Dear Members;

Re: King Charles III Coronation Medals

The APBC Union Trustees would like to thank all those that nominated BC paramedics for the King Charles III Coronation medals. This medal is to recognize significant contributions specific to the paramedic profession here in Canada or abroad.

There was an overwhelming number of nominations compared to the number of medals allocated to the Ambulance Paramedics and Emergency Dispatchers of BC, which is the BC Chapter of the Paramedic Association of Canada.

Only the successful nominees will be contacted.

There are plans in the works to have ceremonies in the fall to award the King Charles III Coronation Medals. Please stay tuned for more information coming soon.

In Solidarity,

Union Trustees
Ambulance Paramedics and Emergency Dispatchers of BC
CUPE Local 873

Cc: Dave Deines, Provincial Vice President APBC
